

Farming in Upper Canada Essay

- Research the topic “farming in Upper Canada”
- In a 5 paragraph essay (500 word minimum, 800 words maximum), write a five paragraph essay. Each of your 3 body paragraphs should address one of the following topics:
 1. Why did so many people come to Upper Canada to farm in the first half of the 19th century?
 2. Describe the work that needed to be done (clearing land, building a house, farming the land). How was this work done? What sort of tools did the settlers use? How did the people work together to get the work done?
 3. Describe some of the biggest challenges the settlers faced. These could be natural or human-caused.
