

What is a Hero?  
Computer Lab Assignment

Your Group Members:

You will complete this assignment in your group. Divide the work evenly between you to make sure that you can complete this assignment by the end of Wednesday's class.

Part I  
What is a Hero?

Come up with a list of words used to describe heroes. List some qualities and attributes of a hero. You should have at least 5 words, but the more the merrier!

Part II  
A Real-Life Hero

Describe a real-life hero (past or present). Be sure to include the following information:

- who is or was the person?
- when and where did they live?
- what did they do that was so heroic? Describe this in detail!
- what qualities of a hero does or did this person possess?

### Part III

#### Fictitious Hero

Describe a fictitious hero from a book, comic, movie, etc. Be sure to include the following information:

- who is or was the person/character?
- when and where did they live?
- what did they do that was so heroic? Describe this in detail!
- what qualities of a hero does or did this person/character possess?
